Dear Church family,
Our family is truly grateful for the ways you have supported us during this past year since Joseph's accident. Thank you so much for your prayers, the food brought in, the visits, the help in transportation for Joseph's rehab, and the gifts toward medical expenses. Your kindnesses greatly blessed us and we give thanks to God for you all. Joseph's recovery amazed his surgeon as well as the skilled therapists who were involved in his rehab. We declare that God has been very gracious to us and we are grateful for the work He has done!
